

Union County Timber Cruisers Car Club

Minutes August 8, 2017

Call to order by Debbie Rife at 6:01 pm.

Approval of the minutes for June & July: Motion to approve by Paula 2<sup>nd</sup> – Arlan; all in favor

Treasurer's Report: Virginia reported that the checking balance is \$5646.58 not including Baxters \$1500 and \$25.00 from the Landing

Car Show:

We had 148 cars total including cars including host cars; 96 out-of-town with 46 of them new entries; new locals 14; other locals 23 (37 total local)

Matt/Lucy: Changes – going to resign as head chairs for the event; trips planned for overseas for next summer. Will still be sub-chairs and volunteers. Do we really need a head chair? Everything ran smoothly this year; each committee did well on their own.

John suggested we think about ways can we get cars from our area to attend.

Need to think about filling Matt & Lucy's position.

New Business;;

Arlan – proposal join chamber of commerce \$100 for non-profit. Motion: Steve – Jerry all in favor  
Debbie brought up a proposal to drop the “Union County” from the name of the club. Riverside Park makes us pay if “Union County” but free if just Timber Cruisers Car Club. Arlan gave a brief history for using Union County. It is hard to access our website because of the Union County. Motion to drop “Union County” from the name by Jerry; 2<sup>nd</sup> – Lucy; all in favor.

Lucy will take on the job of deleting all the Facebook accounts and starting a new “Timber Cruisers Car Club” Facebook page.

Cruising Saturday Night – awarded to with a beautiful purple '46 or '47 Ford from Idaho Chariots sent us a nice Thank You note.
