A very short meeting was held at the Meacham Café following dinner

Old Business:

- The car club will once again take part in the La Grande Main Street Downtown Halloween Trick or Treat. Arlan announced the candy for the event has already been purchased and asked members to consider bringing their classic cars to the event.
- Harvest dinner is scheduled for November 10 at the Island City Hall room. It will be a potluck dinner. It was decided to play 31 at the event – so folks need to bring quarters.

New Business:

- The club received a request to place an ad in the NW Car Event Calendar along with a listing for our 2019 car show. Discussion followed about whether to place this ad instead of the CruZin Magazine but decided we also receive a write up in the CruZin Magazine along with photos from our last show.

Motion: Debra moved to place a mini-ad in the NW Car Event Calendar plus placing an ad in the CruZin Magazine .Motion seconded by Tana and passed.

Other Information:

- Veterans Parade will be held in La Grande on November 11 at 11 a.m.
- EOU Homecoming is October 20 and if there is a Homecoming Parade it will be on the 19th; however, the club has not been notified or asked to provide rides for EOU dignitaries.

Next Meeting – November 10 at the Harvest Dinner.
