Call to Order

Richard called the meeting to order at 6:00 pm. He asked new member, Doug Dalton, to tell the group about his cars. Thank you, Doug.

Financial Report

Virginia reported that with the \$500 donation from our new sponsor, Richardson Paint and Performance, the club has a balance of \$5459.59 in our account.

Car Show

Arlan passed around the flyer and registration form for the 2021 car show, which is planned for July 16 – 18. He also mentioned our new sponsor, Richardson Paint and Performance. He said they do high dollar paint jobs, and the owner is involved in drag racing around the country. They have requested that the club add another class for race cars. He said that he could get at least 10 race cars here for the show. Matt moved and Richard seconded that we add this class to our roster. The motion was passed.

For the dinner on Saturday night, we will provide two \$10 vouchers in each packet which can be redeemed at several downtown restaurants, specifying the hours between 4 and 7 pm. It was agreed that we will use vouchers instead of waiting to see if the Senior Center will be open by then. This way we can support our local businesses in a positive way.

Nancy said her company may wish to sponsor something, and Arlan suggested they could sponsor the music. Thank you, Nancy. Frank Carlson will be providing the music.

Arlan said they would email registrations to those who are regular participants in the car shows. He added that people are already calling him to get registered. We will get a group together in a week or so to stuff envelopes for mailing.

Ed and Dixie will be in charge of raffle items. It has been decided that most of the raffle items this year will be purchased instead of asking our struggling businesses for donations. The club will budget \$1000 for the raffle items. There are also a couple of businesses who will donate cash to purchase gas cards.

Cindy will contact The Dusty Spur about catering for the Friday night dinner at Riverside park.

Club Officers for 2021

Motions were made and seconded to keep the current officers for the coming year. They are:

- Vice President – Richard Comstock
- Treasurer – Virginia Lackey
- Secretary – Debby Comstock
