

TIMBER CRUISERS CAR CLUB

MINUTES MARCH 12, 2019

Members present:

Mel & Sue Towne	John & Virginia Lackey	Alan & Paula Fong
Margaret Craig	Steve & Kathy Oliver	Tom Mier
Dave & Tana McClay	Jerry & Cindy Foster	Jim & Sally Coxen
Jack Walls	Debbie Rife	

The meeting was called to order by Vice President Steve Oliver.

There were no minutes for the February meeting.

Virginia gave the Treasurers report: \$230 paid to Chamber of Commerce for printing; \$165 paid for postage-mailing registration forms, and \$540 due for liability insurance. 2018 unmanned aircraft (drones) was excluded for liability and new in 2019, no liability for any injury, damage, or activity associated with marijuana.

Steve thanked everyone who had shown up on Tuesday March 5th to help collate, staple and stamp the registration forms to get into the mail.

Old Business:

Tana had 2 green T shirts for use as Staff shirts during the car show. The neon green was the most popular.

Steve had passed around 3 choices for the Dash Plaques: the majority voted to except the light tan with black printing.

New Business:\

Mel Towne is involved in the 4th of July celebration in Union. The car that will be donated needed places to show and sell tickets to fund the fireworks. Steve said they could take it to the Elgin Car show. Mel was unsure if tickets were to be sold during June and maybe August before the winning ticket was to be drawn. If it still needed to be shown, we can show tie and have a table to sell tickets at our car show.

Mel also asked if Flying J had ever been asked to sponsor, or donate something for the car show. Dave McClay said that the sponsors were set, but perhaps Flying J would like to donate something- money for gas cards?

Mel announced that THE GREAT RACE would be stopping in The Dales at the Air/Auto museum on June 28th for a lunch stop. He thought the group might like to caravan to The Dales to see the cars, then have lunch in The Dales. Steve thought it might be fun to see if the Walla Walla group would like to join us. We will explore this at the next meeting.

Meeting was adjourned about 6:30 PM
