Call to Order

President Richard Comstock called the meeting to order at 6:00pm. He asked about a potential new member, Rex Davis. Arlan said he received a phone call from Rex who will join the club after the car show as he wants to put his '39 Austin touring convertible in the show.

Minutes

Virginia moved and Paula seconded that the minutes be approved as mailed. The motion passed.

Financial Report

Treasurer Paula Fong reported that the Club has a bank balance of \$6,182.53. Arlan shared that the club will be receiving \$1000 from a tourism grant.

Old Business

Summer activities: Richard asked for input on the list of summer activities which were sent to members. Jim and Sally Coxen worked out the schedule, and Richard explained that they chose to have some activities on Wednesdays instead of Fridays, especially if there is a car show the following Saturday so that members would have time to clean their cars for the

show. Mary Ann said she has meetings on July 6 and August 3, so those days aren't good for her. Margarete suggested we have a breakfast cruise maybe to Summerville Tavern. We will look into doing that. Richard said the dates aren't set in stone, and that we can make changes as we go along. Thank you, Jim and Sally, for this schedule.

Jason asked if the club will participate in Hog Wild Days on June 4. It was decided to meet at Walmart parking lot at 10:00 am to go to that. Ed will call the contact person for details.

Mary Ann said that the Union County Fair is scheduled for August 3-6, and the parade will be on Wednesday the 3rd. Members agreed that we would participate in the parade.

Jim Coxen shared examples of car calendars he has made and offered to make ones for club members. He will take the photos, print and assemble the calendars. He said they will cost approximately \$6.00. Members may also email him photos that they have taken. Jim suggested that we make a club calendar for 2023 with photos of members' cars to sell at the car show.

New Business

A sympathy card for Larry Wainwright was sent around for members to sign.

Richard reminded members to make sure their dues are paid to Paula.

Car Show: Arlan said he has car show posters which he will take to our sponsors. Members may contact Arlan if they would like some posters to distribute. He added that we have 19 registrations so far.

Don McLean said he called a couple places for grab bag donations and said they are not as generous as they once were. He listed the items he has received so far and there is a good variety. McLeans are donating microfiber cloths and Matchbox cars. Thank you. Arlan suggested he contact Banner Bank and Don will also contact parts stores. Club members will help assemble the bags shortly before the car show.

Dixie once again thanked Jerry Matthews for suggesting they pass around a sign-up sheet for members to contact businesses for raffle items. She said members have signed up to contact all the businesses she listed except True Value. Steve Oliver will contact that one. Donna Ward got 3 gift certificates for a carburetor rebuild from Dr. Q and a \$50 for gift cards. Fong's added two more businesses that weren't on the list. If you want to add a new business,

please contact Dixie so that she can make sure they receive a thank you letter. Thanks so much to everyone helping with this. It really makes it so much easier.

Good of the Order

Ed shared that the Sadlers are going to have another soap box derby in Elgin on May 28 and 29. He said that they would like club members to bring their classic cars and help in setting up. Richard, Ed and Steve said that last year when they went to Cove to help, there was no place to park their cars and they were told that there was nothing for them to help with. It was agreed not to participate this year.

Steve Edmonds asked if anyone was going to the BMCC car show. Jim Coxen will be going.

Richard shared that Cock n Bull owner, Angie, is recovering well from her stroke. She is home and starting physical therapy. Great news!! Mary Ann moved that the club donate \$100 to her go-fund-me account. Steve seconded and the motion passed.

Adjourn

There being no further business, Richard adjourned the meeting at 7:00.

Next meeting – June14th at Cock n Bull Restaurant.
