

Timber Cruisers Car Club Meeting

June 16, 2022

Attendees

Jerry Matthews	John & Virginia Lackey	Jerry & Cindy Foster
Matt Serrine & Nancy Spencer	Mel Towne	Alan & Paula Fong
Arlan & Mary Ann Miesner	Steve & Karen Edmonds	Ed & Dixie Lund
Steve & Kathy Oliver	Richard & Debby Comstock	Dave & Tana McClay
Jason Harmon		

Call to Order

President, Richard Comstock, called the meeting to order at 6:00 pm.

Minutes

Richard asked if everyone had read the minutes. John moved that they be approved as sent, Virginia seconded and the motion passed.

Financial Report

Treasurer, Paul Fong, reported that the club has a bank balance of \$6470.87. She added that she just received several more checks which she will deposit.

Old Business

Richard shared that the Reeds have set the date of the Bobcat Cruise for September 23 at 5:30. They would like club members to drive their classic cars to the Union Bobcats home football game on that date. The group agreed that we will participate.

New Business

Ed reported that Nature's Pantry is going to have an open house on July 22nd and has invited the club to come down for a mini car show from 11:00 – 1:00. They will provide lunch. We would like club members to participate as Nature's Pantry has been very

faithful in providing a raffle gift each year. Arlan added that we need to support our local businesses as much as possible.

Car Show – Tana brought Staff T-shirts for those members who are working in the car show and don't have one yet. Thanks Tana.

Arlan has the lists of those who have signed up to help out and will pass those around at our next meeting prior to the car show. He said that only 2 sponsors have not paid yet and that we have 35 registrations so far. Even though that is a bit fewer than in years past, Mary Ann reminded us that there is no discount this year for early registration. Dixie suggested we let folks know about Airbnbs and Mary Ann said some are listed on the registration form.

Paula suggested that we just have one bucket for raffle tickets instead of individual buckets for special items. The group agreed that this would be best.

Good of the Order

Richard reported that the BiMart car show will be on September 10th this year. That is a week after labor day.

Steve reminded us that the Elgin car show is this Saturday. He asked members to park along the fence and to bring canopies in case it rains.

Adjourn

There being no further business, Richard adjourned the meeting at 6:15.

The next meeting will be July 12 at Cock n Bull Restaurant.
